LETTERS

Dear Editor,

We have long been supporters of Caruso Affiliated's project, The Shops at Santa Anita, and are glad that both the Arcadia firefighters and police are strong supporters of the project. We have been to Caruso's project, The Grove, several times and are really impressed by how well managed and safe it is thanks to its private security. Now when our friends question possible security issues at The Shops at Santa Anita, we tell them how strongly Arcadia's firefighters and police support the project.

We feel "The Shops" will be a great addition to the entire Arcadia community.
